Partners in Your Success

SEMCA Michigan Works! understands that partnerships are key to building a successful Michigan Economy. Utilizing a demand-driven model, we are able to address workforce development needs efficiently and effectively. We work with you and a host of key partners to ensure we meet your talent needs.

Based on your job description, we can PRE-SCREEN and assess candidates sending only the most qualified to interview and ultimately hire.

We have access to hundreds of job seekers in our area and can help RECRUIT and identify the very best talent for your hiring needs.

A Business Solutions Professional will work closely with your company to UNDERSTAND your needs. We will connect skilled workers to your job openings and you with valuable resources to grow your business.

We work with you to ASSESS your business needs then offer a variety of no-cost resources that support you. Programs can be used individually or braided together to increase the competitiveness of your business.

We utilize Pure Michigan Talent Connect, our website, and social media as part of our outreach strategy to PROMOTE job openings and reach qualified workers.
