Grievances include program complaints involving the proper application of any of the above referenced laws, their regulations and/or policies on a statewide level.

## **I. General Requirements**

- A. SEMCA has developed this Policy and made it available to participants, sub-grantees, sub-contractors, service providers, employees, One-Stop partners, providers of training services, and other interested parties for the purpose of providing a procedure for the resolution of grievances related to WIOA, TANF, FAE&T, Trade Act (except requests for redeterminations), and State of Michigan GF/GP funded programs administered by LEO- WD, as well as other SEMCA programs funded by other sources.

All participants, sub-grantees, subcontractors, service providers, employees, One-Stop partners, providers of training services, and other interested parties shall sign and date documentation acknowledging their receipt of an agreement to follow the procedures set forth herein. The documentation shall be maintained for review at the One-Stop Service Center, unless held on behalf of the whole SEMCA service area. Some specifics include:

- One-Stop Partners receive a copy as attachment to their MOU
- Service Providers' contract will include this policy as an attachment

SEMCA has posted this Complaint and Grievance Policy in areas where administration and program services are provided and posted on SEMCA's website.

- C. SEMCA maintains a monitoring/tracking system to document the grievances received and their disposition. SEMCA maintains these records for review for a period of three years. The retention period begins on the date of the WD's acceptance of the final closeout report for the grant or contract. Records are retained beyond three years if any litigation or audit is begun, or if a claim is instituted involving the grant or agreement covered by the records. In these instances, the records are retained until the litigation, audit, or claim has been resolved.
- D. Pursuant to 29 CFR 38.9, where a significant number or proportion of limited English-speaking individuals exists, the Complaint and Grievance procedure is provided in appropriate languages to meet the language needs of the limited English-speaking individuals who seek information regarding the Complaint and Grievance procedures.

Complainant has the right to request and receive language assistance during the process and all notices will be translated into non-English languages when requested and required.

## II. General Requirements - Informal Complaints

- A. SEMCA shall make available to participants, and other interested parties an opportunity to resolve complaints informally before they become grievances. The complainant shall first attempt to work out a resolution with person or organization the complaint is against.

Customers shall be encouraged to informally discuss their concerns with the program manager to attempt an informal resolution of their complaint. The Program Manager shall make every effort to resolve the complaint promptly and enter objective case notes describing the complaint and the resolution or next steps.

A hearing is not required for an appeal of a non-WIOA related decision.
