It's YOUR Chance to Get FREE Tuition and a Training Stipend to Become a
Certified Community Health Worker!

What Type of Training is Provided?

Training is provided by the Michigan Community Health Worker Alliance (MiCHWA) which supports CHW education, training and workforce needs.

- The 12-week virtual CHW training program takes place in June, July and August. There will be 8 weeks of basic CHW skills and 4 weeks of behavioral healthcare training. A 40-hour in-person internship is required to receive the Certified Community Health Worker credential.
- Participants who successfully complete the program will receive a Certified Community Health Worker credential approved by the State of Michigan, and a specialist credential in behavioral health.
- Training is online and includes interactive activities, group projects, individual presentations, communication skills practice, lectures, and assessments.
